Pasadena, CA, Wednesday, December 10, 2014. Carrie Mehdi Foundation (CMF), a non-profit 501(c)(3) charitable organization, announces \$1,000 donation to the American Kennel Club Canine Health Foundation which funds research that helps dogs live longer and healthier lives.

This donation is made in memory of Francis (AKC & International CH Schoolhouse Francis Rocks CGC THD), a Standard Smooth Dachshund owned by Diane Jones (Carrie Mehdi Foundation President). Francis was responsible for Diane meeting Carrie Mehdi and her family. Sadly, he passed away in June 2014. Francis was sired by the Mehdi's dog Phineas (CH Hildisvin Eclipse). Diane said: "Thank you to all the friends and family who donated to the Carrie Mehdi Foundation in honor of Francis making this special memorial donation possible. Because of Francis my circle of friends grew wider with each passing year. We honor this special soul by supporting overall canine health through the AKC Canine Health Foundation."
